Sir.

In reference to your No 7816 D/ 19th April 1916.
The Dispensary at Kalasa has been completed and is ready for occupation. We have engaged Dr J.F.DeCosta who holds the diploma of a Military Asst Surgeon. He also holds good testimonials as regards character and qualifications.
When in Bangalore the other day I ordered a stock of medicines from Messrs J.B.Forster & Co. Dr DeCosta who leaves Bangalore on the 26 inst will bring them along with him.
Ihave been asked to request Government to withdraw the duty on spirits in the case of medicines bought for the Kalasa Medical Fund. We have only a small amount raised by subscriptions, and as the Fund is more of a charitable concern we could get much more for our money if Government would help us in withdrawing the duty on spirits in all the Fund's medicines?
Please let me know how I am to draw the Rs 80/.per mensem kindly given by Government as a grant-in-aid ?

Yours Faithfully.
